

Polmarter to St Ives - G7 alternative walking route if Belyars Lane is closed

1. Take the footpath out of the site from the bus stop or in Consols field between pitches 50 and 51 to join Steeple Lane.

2. Follow Steeple Lane half a mile downhill to the top of Belyars Lane, at the junction with Trenwith Lane.

You may be able to walk down Belyars lane as usual, but if this is closed due to the G7 security (this road backs onto the hotel where some of the world leaders are staying) follow the short detour below:

3. Turn Left onto Trenwith Lane, and immediately right onto a lane with the house sign 'Wetherby' on the wall.

4. Follow this lane as it narrows into a footpath, and when you reach a junction turn right onto the lane which joins with Higher Trewidden Road.

5. Follow this lane down towards Talland Road, and this will join you back to the bottom of Belyars Lane and the usual walking route on into St Ives
